PRINCIPAL'S MESSAGE

The philosophy of White House Middle School is to provide an environment which is conducive to learning and to provide a smooth transition between elementary and high school. The goal of the parents, teachers, administration, and staff is to help our students grow intellectually, physically, socially, and emotionally.

White House Middle School serves fifth, sixth, seventh, and eighth graders, including special education exceptionalities. We feel identity and self-worth are of utmost importance to the development of the whole child; therefore, a continuum of guidance and independence is essential for students of this age. Experiences must be provided which will allow for growth in all areas.

The school realizes each child needs the opportunity to reach his or her full potential; therefore, a variety of teaching methods, approaches, and techniques should be used to meet the needs of each student. For effective learning to occur, the middle school child must develop responsibility and self-reliance skills. This process may be enhanced through effective lines of communication between teacher and student, teacher and teacher, and, just as importantly, between teacher and parent.

In order to prepare young people to succeed in today's complex society; we must provide ample experiences that will foster growth in leadership, decision-making, and citizenship.

With these things in mind, let me take this opportunity to welcome you to White House Middle School and express our desire to work with the students, parents, and teachers for the continued educational and social advancement of our children.

SCHOOL POLICIES

Here, as in every school, it is necessary to have certain regulations. These rules will act as a guide for student conduct. Not all the requirements for proper conduct have been included, as it is not necessary to print regulations that govern the behavior of ladies and gentlemen.

ATTENDANCE SUMNER COUNTY BOARD OF EDUCATION

The Board recognizes that good attendance at school is basic to student learning. Attendance is a key factor in student achievement: therefore, students are expected to be present each day that school is in session. Parents have both a legal obligation and a moral responsibility to see that children are present every day that school is in session.

The Compulsory School Attendance Law in Tennessee requires children to attend school each day. A student who has been absent five days (this means a total of five days during the school year and not necessarily five consecutive days) without adequate excuse is considered truant and may be summoned to court. Whenever possible, attendance issues should be resolved at the school level. Prior to referral to a truancy officer, a meeting shall be held at the school to assist the family and improve student attendance via an attendance contract. If unexcused absences continue to accumulate, the Director of Schools or his/her designee will report the parent and student to the Juvenile Court for further action.

The following are official/adequate excuses that should be turned in to the attendance secretary in the school office

- Medical note for the student (doctor, dentist, hospital, etc.)
- Student illness not requiring a doctor visit (**five parent notes per semester**)
- Court notes for the student
- Funeral notice
- Recognized religious holiday
- College Visits
- Military deployment paperwork for parent

Appeal Procedure for Unexcused Absences

The initial appeal shall be to the building principal or designee. If not resolved at the building level, the parent can request in writing an appeal to the Attendance Office at the Sumner County Board of Education. The appeal will be heard by the Appeals Committee consisting of Director of Schools Designee, an Attendance personnel representative and a principal/assistant principal representative. The burden of proof rests on the student or guardian. The appeal process for determining unexcused absences is ancillary to a truancy decision rendered by a juvenile court judge as described in T.C.A. 49-6-3010.

A principal may verify absences for the following:

- Approved school activity that is school sponsored and school supervised
- Extenuating circumstances on a case-by-case basis

Tardies: Any student not in the classroom when the class begins is tardy. Students who accumulate excessive unexcused tardies are considered truant and will be reported to Juvenile Court.

Unexcused Early Dismissals: For any student that is dismissed from school without a valid reason, the absence will be considered an unexcused early dismissal. A doctor's note excuses the early dismissal. A parent note may be used for the early dismissal; if so, the parent note will count as one of the **five** allowable parent notes.

Make-up work: Upon the first day of returning to school, it is the student's responsibility in middle and high school and the parent's responsibility in elementary school to contact the teacher(s) regarding make-up work. During the school year, make-up work must be completed within several days equal to the number of consecutive days of the absence.

Absences from school

The student should bring a written note from his/her parent/guardian or the doctor within two days following his/her absence. Failure to do so will result in an unexcused absence. The following outline must be adhered to in order for the absence to be excused:

Student's first and last name

Grade

Dates missed, i.e. 1/3/09 (not Wednesday)

Parent's signature and number where he/she can be reached

After an absence, students should drop the note in the basket in the gym or bring it to the office. It is the school policy to make a reasonable effort to call the parents/guardians of all students who are absent.

Students need to bring a note if they miss any part of a school day.

Leaving school during the day

If the student leaves or returns during the school day, the parent must sign the student out or in through the front office. Upon returning to school, the student should ask his/her teacher for any missed assignments and should turn in any work required for the classes during the absence. Parents should try to make doctor and dental appointments after school. If the student becomes ill during the day or must go home for some emergency, the student must go to the office, where the office personnel will call home for the student. Anyone who has a fever, determined by the school nurse, or is too ill for class must go home.

When a student is being checked out of school, the parent must come into the office and sign out the student. The student must bring a note following the absence for classes missed or send a note for early dismissal. **If someone other than a parent or guardian is picking up your child, one of three of the following requirements must be met:**

- 1) Call the school office to give verbal permission.**
- 2) Send a note signed by the parent or guardian giving written permission.**
- 3) The person picking the student up is on file with the office.**

***** Photo ID may be required for pick up*****

If a student is absent from school during the day, he/she will not be permitted to participate in activities at school that night unless they have attended half the school day or received permission from administration.

Tardy to school

On the fourth (4th) tardy to school in a semester, a student will be given one (1) detention. Each tardy thereafter during the semester may result in detention. Excessive tardiness may also result in a referral to the attendance department.

BUS TRANSPORTATION

Students are under the supervision of the school from the time they arrive at the bus stop in the morning until they return to the bus stop and the bus has left the sight in the afternoon. Students shall follow the directions of the bus driver. Misbehavior on the bus will result in a penalty at the discretion of the principal/assistant principal depending on the circumstances. The penalty may include removal from the bus for a period of one (1) to ten (10) days per incident.

When it is necessary for a student to ride a bus other than his/her regular bus, WHMS will issue a pass for the student to ride another bus with the following provisions:

1. The student will not create an overcrowding condition on the bus he/she wishes to ride.
2. The student has a note from his/her parent(s) requesting permission for their child to ride a bus other than his/her own.
3. The parent request is given to an administrator before 2:00pm. **No requests will be granted past 2:00pm**

The note must include the following information: **The student's full name, address, regular bus number, bus number he/she wishes to ride, destination, parent's signature, and a phone number where parent may be reached.**

CAFETERIA

Behavior

Student behavior in the cafeteria should be based on courtesy and cleanliness. This means leaving the table and surrounding area clean and orderly. Students are not allowed to take food, paper products, or straws out of the cafeteria. Students are expected to remain seated at all times. Chairs are not to be moved from table to table. Students who are scuffling, breaking line, running, or throwing food or drinks will be strictly disciplined, possibly resulting in out-of-school suspension.

Breakfast

Breakfast will be served between 7:15 and 8:00 each morning. Students who buy breakfast should report directly to the cafeteria upon arrival to school. Breakfast items are all a la carte. Pricing is posted in the cafeteria.

Charges

Lunch charges may be obtained as the student goes through the lunch line. He/she is to pay the lunch charge the next school day. At no time will a student be allowed to carry more than two (2) charges at a time. Checks will not be accepted through the end of both Fall and Spring school terms.

Free/Reduced

Applications for the free and reduced program for breakfast and lunch are available through the office. Students must re-apply each year.

Lunch

Students will have an assigned lunch period. They may purchase lunch or bring one from home. When bringing lunch, remember that glass containers are not allowed. Drinks and food are not allowed outside of the cafeteria.

Breakfast and lunch may be purchased on a daily basis. Since all students are entered in the computer, a student may pay for any number of meals at one time. The money is credited to his/her account and can be used only by that student.

CELL PHONES/SMART WATCHES

In compliance with Sumner County School Board Policy, students may have a cell phone at school. Cell phones and smart watches must be turned off upon arrival at school and must stay off until departure from campus. In the case of need the principal or his designee may approve phone use during the school day. It is suggested that all cell

phones and smart watches must be secured in the student's locker between the hours of 8:15 a.m. and 3:15 p.m.

All other electronic devices are not allowed on campus during the regular school day unless the student has written permission from the principal.

Penalties for failure to comply:

1st Offense: Phone will be collected and returned at the end of the day at the administration discretion. Student will sign the warning book.

2nd Offense: Phone will be turned in to the office. After 24 hours, it will be returned to the parent or student at 3:15 the next day or an administrator has the discretion to do what he or she sees fit. The student will receive a detention.

3rd Offense: Phone will be turned in to the office. After 24 hours, it will be returned to the parent or student at 3:15 the next day or an administrator has the discretion to do what he or she sees fit. The student will receive ISI. All additional offenses may result in OSS or referral to a disciplinary hearing.

*This policy applies to all cell phones, regardless of whether the owner or another person is using the phone.

*The school in no way guarantees the safety of any electronic device at school.

CHEERLEADING AND ATHLETICS

All athletes are to adhere to conduct that represents White House Middle School in the manner that is becoming of what is expected of all students. Any such behavior that is not representative as such is subject to discipline and/or removal from the sport.

Cheerleaders and athletes must show proof of insurance before they will be allowed to participate. This includes practices.

Because it is illegal for middle school children to obtain tobacco, alcohol, or drugs, and due to the detrimental effects of these products, White House Middle School retains the right to suspend any student from a squad or team for the possession or use (on or off campus) of these above mentioned products.

COUNSELORS

The counselors at White House Middle School are available to assist students in many ways. When a student wishes to see a counselor, he/she should go to the guidance office to arrange an appointment. Sometimes a teacher may suggest that a counselor talk with a student. There may be a time during the school day when a counselor will come to the classroom to get a student. The student should leave the classroom and return as soon as the conference is over.

DEBTS

At the end of the eighth (8th) grade or transfer to another school, WHMS will not release records and/or report cards to the new school until all debts have been paid. Overdue library books are debts and will be treated as outlined above.

DELIVERIES

Due to the difficulty in making sure every child receives an intended delivery on special occasions, along with problems that may arise during transportation of flowers, balloons, glass containers, etc., we ask that parents assist us by keeping all deliveries sent to the school to a minimum.

DISCIPLINE

White House Middle School promotes accountability for student actions. We believe that students need to be willing to make corrections in their behavior when necessary. It means looking at options, choosing solutions and finding ways to become more effective. Characteristics like laying blame, justifying, denying, and quitting as handy alternatives do not promote responsibility.

To assist students in being successful we have implemented 3 simple rules for our school. **Be Safe, Be Respectful, Be Responsible.** Any infraction or issue will fall under one of these rules. The essential question you must ask yourself is, is my behavior safe, respectful and responsible. If the answer to either question is "NO" you may be subject to disciplinary action.

Be Safe – *(free from danger or the risk of harm)*

Example: Running in the hallway is not being safe because, you could fall and hurt yourself, run into a door, run into another person and could break an arm or leg, etc. Throwing objects can also be a violation of our safety policy. You could cause someone to lose an eye or start a fight with you resulting in possible injury.

Be Respectful

Examples: Writing on the bathroom walls is not being respectful. Doing so shows you have no respect for property that does not belong to you. You are being disrespectful to the janitorial staff who must clean the writing off the walls. You have no respect for the person you have written about, nor do you have respect for yourself.

Be Responsible

Examples: Not being prepared for class shows a lack of responsibility. If you come to class without your homework completed, or if you do not have the proper supplies for class, you are not being responsible for your success. If you blame someone else (parents, teachers, bus drivers, or other students) for your poor choices, you are not taking responsibility for your actions. Below is a list of other behaviors that do not adhere to the Be Safe, Be Respectful, or Be Responsible policy. There are other violations that may not be listed.

All students must adhere to the following:

1. Leave toys, games, playing/collector cards, fidget spinners, puzzles, rubics cubes, and electronic devices (PSP's, I-POD's MP3 players, Gameboy's, etc.) at home. These will be confiscated and returned only to the

- parent. The school will not be responsible for lost, stolen, or confiscated items. (Be Respectful)
2. Follow the directions of teachers and supervisors at all times. Rudeness in any form will not be tolerated. (Be Respectful)
 3. Follow the directions of bus drivers and attendants. The bus driver may refer any student to the principal for discipline. (Be Safe, Be Respectful)
 4. Abide by the hands-off policy for students. This policy will be strictly enforced. (Be Safe)
 5. The selling, purchasing or trading of items between students is not allowed. (Be Responsible, Be Respectful)
 6. Loitering is not allowed anywhere on campus. (Be Respectful, Be Safe)
 7. Profanity (written or verbal) will not be tolerated. (Be Respectful, Be Responsible, Be Safe)
 8. Harassment will not be tolerated. (Be Respectful)
 9. Chewing gum or eating candy is not allowed. (Be Responsible)

Detention

Detention will be held every morning from 7:30-8:10. A detention constitutes 30 minutes of time served. A student may arrive late if needed so long as the 30 minutes is served as a whole or in increments. When the student enters detention, he/she must sign in, and have pencil and paper.

When a student is given a detention, the student is to sign the detention form. The student's signature on the form is not an admission of guilt but an acknowledgment that the detention has been assigned.

When a student receives a detention, a copy of the notice will be given to the student for him/her to deliver to the parent. All detentions will be served the next school day, unless otherwise noted. If a student fails to serve detention or accumulates excessive detentions, the student will be subject to additional discipline at the discretion of the administrators (ISI). Students receiving their 6th detention in a nine-week period may be assigned In-School Isolation.

If a 9th detention is received in a nine-week period the student may be suspended OSS.

In-School Isolation (ISI)

If the student's conduct is deemed inappropriate while the student is in ISI, the administration may exercise the right to assign further in-school-isolation or out-of-school suspension for the remainder of the ISI days.

Out-Of-School Suspension (OSS)

When behavior becomes detrimental to the good order of the school, it may become necessary to suspend a student from school and its activities for a period not to exceed ten (10) consecutive days. Depending upon the circumstances, a parent may be required to confer with the school for the student to be readmitted to classes. The following violations may result in out-of-school suspension.

1. Fighting among students
2. Theft
3. Tobacco possession
4. Vandalism
5. Violence or threatened violence
6. Willful/persistent misconduct
7. Zero Tolerance Offenses

Restriction Time

To limit the amount of time the student is out of the class, administration may use restriction time as an option instead of ISS or OSS. This will consist of an allotted amount of time that the student must report to detention, afternoon detention, and/or lunch time. The student will choose what times they report as long as the amount of time is completed within 5 school days. Lunch time restriction consists of the student getting their lunch and reporting to the detention room for the allotted amount of time. If the student does not complete the assigned amount of time, it will constitute an assignment of ISS that parallels the amount of time missed. Please refer to the county's most current *Important Policies for Parents and Students*, along with the Sumner County Board *Policy Manual* for detailed information regarding code of behavior, discipline, and discipline procedure.

DRESS CODE (please read)

Students shall observe modesty, appropriateness, and neatness in clothing and personal appearance. A student is not appropriately dressed or well-groomed if he or she is a disturbing influence in class or school because of his/her mode of dress and grooming including wearing undergarments. Penalties for dress code violations include but are not limited to changing clothes, ISI, or going home. **Be Responsible! Be Respectful! Be Safe!**

EXTRACURRICULAR ACTIVITIES

Students are encouraged to participate in extra-curricular activities while attending WHMS. Involvement in extra-curricular activities provides an excellent opportunity for students to explore new interests and develop school spirit.

HALL PRIVILEGES

Any time a student is in the hall, it is his/her responsibility to have signed out of his/her classroom and have the appropriate hall pass.

HOMEWORK

Students will be expected to do homework regularly. It is vitally important that parents provide a quiet place for their children to study. Homework provides an opportunity for students to practice newly acquired skills and reinforce learning.

HOUSEKEEPING

According to school board policy, students are to be encouraged to help maintain a school environment conducive to learning.

INTERNET USE

Use of the Internet is a privilege, not a right, and inappropriate use will result in the cancellation of those privileges.

LIBRARY

Books are checked out for a two-week period and may be renewed once. Students will be charged five cents for every school day a book is overdue until the fine reaches the cost of the book. At this time the student will be charged the cost of replacing the book. Outstanding, overdue library books will result in a student not being allowed to attend dances and other school functions until the book is returned. Extended library hours are available for students needing additional library time.

LOCKERS

All lockers are the property of White House Middle School and are subject to inspection by school administration. The school is not responsible for lost or stolen items. Locks for the lockers are the responsibility of the students however. They may be combination or key locks. Keep in mind, students are responsible for keeping an extra key or the combination with them or otherwise risk losing the lock to having to be cut from locker.

LOST AND FOUND

All lost and found items (clothing, backpacks, etc.) should be turned in or claimed through the office. Lost textbooks will be returned to the teacher who issued the book. Lost library books will be returned to the library. Periodically, unclaimed lost items will be sent out to one of the charitable organizations in the White House community.

BACKPACKS

Backpacks will only be allowed to carry books and other pertinent school items into the school unless the student is in 5th grade. 5th graders are permitted to carry their backpack. Once school begins at 8:15, backpacks must be put up in the student's lockers and cannot be carried to the student's classrooms for the sake of safety purposes. At 3:15, the student may load up school items such as books and paper to carry home in the student's backpack.

MEDICATION

Any student who needs to take medication during the day shall, upon entering the school building, leave the medication at the office to be administered at the designated time. No medications will be administered without proper documentation or before 12:00am. The school requires a prescription medication form and/or a nonprescription medication form to be on file before any medication can be given to students. All medications must be brought to school in the original container and clearly labeled. All Over the Counter medications must be in the original container and unopened when brought to school. A log will be kept on the dispensing of all medications. We do not dispense antibiotics or prescription pain medication and all medication must be picked up at the end of the school year or it will be disposed of.

MESSAGES

With an enrollment of about (800+) students at WHMS, we urge parents to communicate transportation, appointment times, and so forth, before the student leaves home in the morning. Announcements are given around 8:15 and 3:10. **Any message not relayed to front office staff by 3:05pm will not be given to the student.**

PARENT PORTAL

All parents are encouraged to set up a Parent Portal account. All student grades are posted to Portal in a timely manner. Please contact the office in order to receive login information.

REPORT CARDS AND PROGRESS REPORTS

Report cards are issued every nine (9) weeks. There are two (2) grading periods in the fall semester and two (2) grading periods in the spring semester.

Parents will receive a progress report every four and one half (4.5) weeks. This progress report is not a final grade, but an opportunity for both parent and student to receive grade information 4.5 weeks before the final report card grade is recorded.

The Grading Scale

A-----	93-100
B-----	85-92
C-----	75-84
D-----	70-74
F-----	69 and below

It is the student's responsibility to turn in classwork, homework, and makeup work. If any of these items are not turned in at the appropriate time, they will become 0's. If a student wishes to resolve the 0, it is the student's responsibility to talk to the teacher where the teacher will make every effort to help the student makeup up that work. Not completing work will negatively affect student grades so it is imperative to keep up with student's grades and work completed.

SCHOOL VENDING AND REWARDS PROGRAM

WHM uses a rewards-based program called vending every 2 weeks to reinforce positive behavior. At vending, students, if permitted to attend, may purchase food and drinks, socialize, and play games for 45 minutes during RTI and Related arts classes. Students will not be permitted to attend if:

- *they do not have an A, B, or C
- *have been given ISS or OSS
- *have been given 2 or more detentions
- *have not turned in attendance notes to the attendance clerk

SCHOOL HOURS

School hours are from 8:15 a.m. to 3:15 p.m. All walkers and car riders who arrive at the school prior to 8:15 a.m. will enter through the front gym doors. No student should arrive at school prior to 7:15 a.m. Students arriving before 8:05 must enter through the gym doors. Students must be seated in their classrooms by 8:13 a.m. All students who arrive after 8:15 a.m. must sign in at the office.

TEACHERS' WORK AREAS

Absolutely no student is allowed in teacher work areas during the school day unless accompanied by a teacher.

TELEPHONE

The school telephone is for business purposes only. Parents who call the school are to leave a message. Students will not be called from classes to receive a telephone call. Only emergency messages will be delivered during class. Students are allowed to use school phones only with permission.

TEXTBOOKS

All textbooks are furnished by the Sumner County Board of Education. Students are expected to take care of their books and return them in good condition at the end of the school year. Students are not to mark or damage books in any way. Students must pay for any loss or damage to books. If books are not returned or are returned damaged, it may prevent the student from receiving books the next year. In order to obtain a second book, payment must have been received on the first (lost) book unless arrangements have been made with an administrator.

VISITORS TO THE SCHOOL

All visitors must enter through the main office doors and report immediately to the office receptionist. In the office visitors will sign the visitors' log, receive a visitor's pass, and receive authorization to begin the visit. The visitor's pass must be worn during the entire visit and must be returned to the office when signing out at the end of the visit.

WATER BOTTLES/WATER CONTAINERS

Due to past problems involving spills and vandalism in restrooms, clear water bottles are the only type of drinks permitted in the halls.

Any medical exceptions need to be cleared first by an administrator.

WEATHER RELATED SCHOOL CLOSINGS

Inclement weather sometimes causes delayed school openings, early dismissals, or closings. Parents are advised to monitor radio or television stations or visit the Sumner County website at www.sumnerschools.org for announcements related to school closings during inclement weather. **Please have a plan in place for your child in case of early dismissals and communicate that plan clearly to your child.**

WITHDRAWAL FROM SCHOOL

Students needing to withdraw from school to attend another school during the year must request a student withdrawal form from the Attendance Clerk. The student must return all textbooks and library books and clear all debts before the withdrawal will be processed. Once the withdrawal is initialized in the office, the student will have to take the withdrawal papers to each teacher to get clearance for debts and to receive final grades.

SCHOOL AND HOME COMMUNICATION

Keeping in mind that the success of WHM students directly depends on the effective communication between WHM and home, we have created various ways to communicate with parents and all stakeholders. Please take the time to familiarize yourself with these modes of communication.
