Special Interest Camps Overview

WHO: Open to all Sumner County high school students entering grades 9-12 for the 2022-23 school year.

WHAT: Special Interest Camps are offered in a variety of areas across all Sumner County high schools. **Students may attend camp at any high school** (for example: a student at White House High School can attend a camp at Gallatin High School).

WHEN: Camps are offered 4 days/week (Monday-Thursday) and can be 1, 2, 3, or 4 weeks in length. Camps are offered between June 6 and June 30. See detailed descriptions on the following pages to see when specific camps are offered.

Special Interest Camps are either 8:00-11:15 or 12:15-3:30 from Monday-Thursday of each week. If students register for camps during the morning and afternoon of the same week, lunch is NOT provided. Transportation will also not be provided.

WHERE: All Sumner County high schools are offering Special Interest Camps this summer. Please review detailed camp descriptions on the following pages to find out what is offered at each high school.

REGISTRATION:

- Click the link under each high school on the following pages to register for any of the camps held at that high school.
- If the camp does not appear on the Google Form then the maximum number of seats available are already filled.
 - Complete the Wait List option on the Google Form to be notified if spots for a specific camp open up.
- Students will be contacted via email after registration is closed with additional information about the camp.

OTHER IMPORTANT NOTES:

- Cost is FREE to all students
- **A minimum of 10 students must sign up for a camp for it to be held**
 - Teachers will communicate with students via email the week of May 2 on the status of summer camps
- Students may attend camps at ANY high school in Sumner County (do not have to attend camps at your zoned school)

REGISTRATION CLOSES ON FRIDAY, APRIL 29

BEECH HIGH SCHOOL CAMPS

[CLICK HERE TO REGISTER FOR CAMPS HELD AT BHS](#)

Teacher: Kari Douglas	Email: kari.douglas@sumnerschools.org
Session Title: HTML Coding and Web Design	Dates and Times of Camp: June 20-23, 8:00-11:15
Maximum number of participants: 20	School location: Beech High School

Session Title: Yoga and Coping Skills	Dates and Times of Camp: June 20-30, 8:00-11:15 June 20-30, 12:15-3:30
Maximum number of participants: 15	School location: Gallatin High School
<p>Session Narrative/Overview: Students will learn the basics of yoga postures, breathing techniques, and mindfulness strategies that can help with stress, anxiety, depression, and overall physical health during this two-week camp. Students will also learn creative and healthy coping skills that they can use in everyday life. Sessions will be taught by a School Counselor that is also a certified yoga instructor.</p> <p>*Students will need their own yoga mat for sanitation purposes. Any medical issues must be disclosed to ensure safety.</p>	

Teacher: Katherine Watson	Email: katherine.watson@sumnerschools.org
Session Title: Nutrition and Cooking for Students	Dates and Times of Camp: June 6-9, 8:00-11:15 June 13-16, 8:00-11:15
Maximum number of participants: 20	School location: Gallatin High School
<p>Session Narrative/Overview: Students will learn about nutrition that will best serve them in life to eat in a healthy manner. Included in this class will be instruction on meal planning, meal prep, and strategies for cooking meals that will match up to their needs in life.</p> <p>The class will be taught in a GHS classroom with conventional ovens so students can prepare the food in a setting similar to a traditional kitchen setting.</p>	

Teacher: Kim Hesson	Email: kim.hesson@sumnerschools.org
Session Title: ACT Boot Camp	Dates and Times of Camp: June 6-9, 8:00-11:15 June 6-9, 12:15-3:30
Maximum number of participants: 25	School location: Gallatin High School
<p>Session Narrative/Overview: ACT review of skills, strategies, and practice tests.</p>	

Teacher: Raechel Tracy	Email: raechel.tracy@sumnerschools.org
Session Title: First Aid & CPR	Dates and Times of Camp: June 13-16, 8:00-11:15 June 20-23, 8:00-11:15
Maximum number of participants: 10	School location: Gallatin High School
Session Narrative/Overview: Adult First Aid/CPR/AED course teaches students to recognize and care for a variety of first aid emergencies such as burns, cuts, scrapes, sudden illnesses, head, neck, back injuries, heat and cold emergencies, and how to respond to breathing and cardiac emergencies.	

Teacher: T.J. McLaughlin	Email: t.j.mclaughlin@sumnerschools.org
Session Title: Stage Presence, Script Reading, and Intro to Improvisation	Dates and Times of Camp: June 6-9, 8:00-11:15 June 6-9, 12:15-3:30
Maximum number of participants: 12	School location: Gallatin High School
Session Narrative/Overview: Designed for a variety of experience levels, this class develops skill and confidence as students analyze, rehearse, and perform scenes from a variety of plays. Each class investigates character development and acting technique through exploration of the director/actor relationship. Intensive scene work emphasizes the process of working with other actors to develop relationships onstage and find deeper meaning in the written word. We will additionally explore improvisation through games and suggested scenes starters.	

Teacher: T.J. McLaughlin	Email: t.j.mclaughlin@sumnerschools.org
Session Title: Intro to Technical Theater	Dates and Times of Camp: June 13-16, 8:00-11:15 June 13-16, 12:15-3:30
Maximum number of participants: 12	School location: Gallatin High School
Session Narrative/Overview: Students will design a set for a scene in a musical or play. They will learn how to build theatrical flats and basic structures through use of hand tools and basic power tools. Basics of theatrical lighting and sound system setup and operation will also be taught.	

Teacher: T.J. McLaughlin	Email: t.j.mclaughlin@sumnerschools.org
Session Title: Group/Individual Voice	Dates and Times of Camp: June 20-23, 8:00-11:15 June 20-23, 12:15-3:30
Maximum number of participants: 10	School location: Gallatin High School
Session Narrative/Overview: Students will be introduced to several vocal solos from musical theatre and classical genres. Participants will then select a few pieces that fit their voice and work on researching, rehearsing, and memorizing the songs. Time will be spent singing individually for Mr. McLaughlin and for the class. Each student will learn 2 songs they can use in future auditions.	

HENDERSONVILLE HIGH SCHOOL CAMPS

[CLICK HERE TO REGISTER FOR CAMPS HELD AT HHS](#)

Teacher: Jason Sloan	Email: jason.sloan@sumnerschools.org
Session Title: Introduction to Positive Psychology	Dates and Times of Camp: June 6-9, 8:00-11:15
Maximum number of participants: 25	School location: Hendersonville High School
Session Narrative/Overview: Positive Psychology was developed as a means to scientifically improve people's well-being. Over the course of four days students will go through 15 sessions covering a range of topics and activities designed to promote greater well-being, increase resiliency, and improve stress coping skills.	

Teacher: Drew Martin	Email: andrew.martin@sumnerschools.org
Session Title: ACT Boot Camp	Dates and Times of Camp: June 6-16, 8:00-11:15 June 20-30, 8:00-11:15
Maximum number of participants: 25	School location: Hendersonville High School
Session Narrative/Overview: The ACT Bootcamp will prepare students by reviewing the skills tested on the English, Math, Reading, and Science sections of the ACT. Students will focus on test-taking and time management skills to raise their ACT score.	

Teacher: Angie Woods	Email: angie.woods@sumnerschools.org

Maximum number of participants: 20	School location: Hendersonville High School
Session Narrative/Overview: Everyone has a voice, but we must understand how to resolve issues without causing harm. Together we will learn and grow from experiences and develop ways to build a community of supportive, positive, kind individuals.	

Teacher: Wendy Vincent	Email: wendy.vincent@sumnerschools.org
Session Title: Anatomy in Clay	Dates and Times of Camp: June 13-16, 12:15-3:30 June 27-30, 12:15-3:30
Maximum number of participants: 10	School location: Hendersonville High School
Session Narrative/Overview: Students will be involved in the learning system that has provided the most effective, informative, and relevant anatomy education through the power of hands-on learning. Students will be manipulating clay and applying it to anatomical models to accurately and efficiently learn the anatomical components of the body. Systems primarily focused on are skeletal, muscular, cardiovascular, respiratory, lymphatic, urinary digestive and nervous.	

Teacher: Wendy Vincent	Email: wendy.vincent@sumnerschools.org
Session Title: Introduction to Nursing	Dates and Times of Camp: June 13-16, 8:00-11:15 June 27-30, 8:00-11:15
Maximum number of participants: 12	School location: Hendersonville High School
<p>Session Narrative/Overview: Students will learn about nursing through hands-on skills such as patient care, phlebotomy (on an IV practice arm), vital signs, and infection control.</p> <p>*Parents should be advised that students will perform skills on a manikin. Students will be handling sharps during these skills. Safety procedures will be reviewed on day 1, and students will be expected to follow all safety procedures.</p>	

Teacher: Dawn Wright	Email: dawn.wright@sumnerschools.org
Session Title: Exploration of Supply Chain Management	Dates and Times of Camp: June 13-16, 8:00-11:15
Maximum number of participants: 20	School location: Hendersonville High School
<p>Session Narrative/Overview: This would be great exposure for students interested in pursuing post-secondary education in the area of Supply Chain Mgmt. This session exposes students to careers and businesses involved in the planning, management, and movement of people, materials, and products. As an introduction to this important and globally evolving field, students will be involved in hands-on projects and simulated cases within the industry.</p>	

PORTLAND HIGH SCHOOL CAMPS

[CLICK HERE TO REGISTER FOR CAMPS HELD AT PHS](#)

Teacher: Delene Huggins	Email: delene.huggins@sumnerschools.org
Session Title: ASVAB Prep	Dates and Times of Camp: June 6-16, 8:00-11:15 June 20-30, 12:15-3:30
Maximum number of participants: 20	School location: Portland High School
Session Narrative/Overview: This is a 2-week session that will walk students through the ASVAB test and help to prepare them with practice as well as test taking tips. Although this camp will align itself with the ACT in terms of ELA and math concepts, it will differ in that we will also go over the electronics, auto and shop, and mechanical comprehension portions of the test. A practice ASVAB will be taken for assessment at both the beginning and the end of the session so that students can track their progress. Each 2-week session will follow the same format, so there is no need to sign up for both.	

Teacher: Connie Moyher	Email: connie.moyher@sumnerschools.org
Session Title: Cosmetology	Dates and Times of Camp: June 6-9, 8:00-11:15 June 13-16, 8:00-11:15
Maximum number of participants: 20	School location: Portland High School
Session Narrative/Overview: The camp will be adjusted to the demands of the students on the basics of hair, skin, and nails.	

Teacher: Michael Pitt	Email: michael.pitt@sumnerschools.org

Works of art will be created during this intense 4-week program including, but not limited to, pencil and tonal drawings, portraiture, and mixed media.	

Teacher: Kelsey Briley	Email: kelsey.briley@sumnerschools.org
Session Title: Crime Scene Investigators	Dates and Times of Camp: June 6-9, 8:00-11:15 June 13-16, 8:00-11:15
Maximum number of participants: 15	School location: Station Camp High School
Session Narrative/Overview: Students will leave this camp with a basic understanding of crime scene investigation. They'll learn about fingerprinting, ballistics, ink analysis, blood spatter, and more! Students will perform hands-on labs each day to build up their skills and solve a "crime" on the last day.	

Teacher: Candice Thurman	Email: candice.thurman@sumnerschools.org
Session Title: Aerospace-themed STEM	Dates and Times of Camp: June 6-9, 8:00-11:15 June 13-16, 12:15-3:30
Maximum number of participants: 15	School location: Station Camp High School
Session Narrative/Overview: This one-week session is an introduction into the exciting world of rocketry. Through simple lessons in Newtonian physics students will learn how to design, construct, and fly their very own rockets of various types.	

Teacher: Candice Thurman	Email: candice.thurman@sumnerschools.org
Session Title: Earth Camp	Dates and Times of Camp: June 6-9, 12:15-3:30 June 13-16, 8:00-11:15
Maximum number of participants: 15	School location: Station Camp High School
Session Narrative/Overview: Deepen your connection to nature in your own community during this one-week session. Explore a local watershed and determine water quality based on the macroinvertebrates found living there. Learn how to use your observations in nature to contribute biodiversity science through a free app, iNaturalist. You will increase your knowledge of biology and practice being a citizen scientist.	

Teacher: Bryce Chandler	Email: bryce.chandler@sumnerschools.org
Session Title: Spanish Immersion, Culture, and World Issues	Dates and Times of Camp: June 6-30, 8:00-11:15
Maximum number of participants: 20	School location: Station Camp High School
Session Narrative/Overview: Do you have an interest in pursuing world languages, international business, or cross-cultural studies? During this 4-week camp, you will be immersed in the Spanish language and culture and learn the historical and geopolitical issues affecting Latin America.	

Teacher: Bryce Chandler	Email: bryce.chandler@sumnerschools.org
Session Title: ESL Immersion Camp	Dates and Times of Camp: June 6-30, 12:15-3:30
Maximum number of participants: 20	School location: Station Camp High School
Session Narrative/Overview: Are you new to the country and need some extra help improving your English skills? Join our intensive English camp in order to perfect your speaking, listening, reading, and writing skills before August.	

Teacher: Doreen Brown	Email: doreen.brown@sumnerschools.org
Session Title: Study Skills	Dates and Times of Camp: June 6-9, 8:00-11:15
Maximum number of participants: 20	School location: Station Camp High School
Session Narrative/Overview: In this session you will learn how to format an MLA paper and how to cite and evaluate internet sources. We will discuss fake news and build critical thinking skills. Students will learn how to “read” their textbooks and the importance of note taking. We will also talk about prioritizing deadlines and staying organized. Tips for staying calm when feeling overwhelmed will also be given.	

Teacher: Markham Brown	Email: markham.brown@sumnerschools.org
Session Title: All Things Ukulele	Dates and Times of Camp: June 6-16, 8:00-11:15
Maximum number of participants: 12	School location: Station Camp High School
Session Narrative/Overview: Students will learn to play ukulele using simple chord charts (songs) and strum patterns, and will also learn other aspects of the ukulele such as the history from its beginnings to present day. A personal instrument is optional.	

Teacher: Kimberly Jones	Email: kimberly.jones1@sumnerschools.org
Session Title: Intro to Adobe Photoshop - Image Editing and Graphic Design	Dates and Times of Camp: June 27-30, 8:00-11:15
Maximum number of participants: 11	School location: Station Camp High School
Session Narrative/Overview: Adobe Photoshop is the most powerful industry standard software used for raster image editing, graphic design, and digital art. (We will learn what that means) Learn to edit images to create your own concepts and designs. We will end our week of camp with a Photoshop Challenge and a prize going to the most creative composition.	

Teacher: Kimberly Jones	Email: kimberly.jones1@sumnerschools.org
Session Title: Intro to Movie Editing and Graphic Design	Dates and Times of Camp: June 27-30, 12:15-3:30
Maximum number of participants: 11	School location: Station Camp High School
<p>Session Narrative/Overview: This is a simple and fun way to learn movie editing skills. For this intro level camp, we will use iMovie to create a short movie trailer with your peers. In creating this trailer, we will use specific compositions to achieve interesting camera angles to tell the story. This weeklong project involves pre-production, which includes storyboarding and timeline planning. Production includes using your pre-production plans to shoot video footage. Post-production includes editing and producing the final video product. You will also have a chance to design your own movie logo and poster using Photoshop. We will view the final products on the last day of camp.</p> <p>Materials: We will go outside to shoot video footage, so be sure you wear comfortable shoes and clothes. We have two DSLR cameras or you may use your smartphone.</p>

Teacher: Mike Madison	Email: mike.madison@sumnerschools.org
Session Title: Welding and Plasma Cutting Basics	Dates and Times of Camp: June 6-9, 8:00-11:15 June 13-16, 8:00-11:15 June 20-23, 8:00-11:15 June 27-30, 8:00-11:15
Maximum number of participants: 10	School location: Westmoreland High School
Session Narrative/Overview: Students will have the opportunity to learn more skilled welding techniques with MIG and TIG welders. Students will learn basic CNC Plasma Cutting design, programming, and operation.	

Teacher: Amy Smart	Email: amy.smart@sumnerschools.org
Session Title: Art Maker Space	Dates and Times of Camp: June 6-9, 8:00-11:15 June 6-9, 12:15-3:30 June 13-16, 8:00-11:15 June 13-16, 12:15-3:30
Maximum number of participants: 12	School location: Westmoreland High School
Session Narrative/Overview: Ready to de-stress for the summer? Couldn't fit Art into your class schedule? Join us and let your creativity flow in this hands-on studio class. We'll explore a variety of media, focusing on the tactile and 3-Dimensional, with sculpture and fiber/fabric creations. No previous experience necessary. Students may attend multiple camps.	

Teacher: Lanita Copas	Email: lanita.copas@sumnerschools.org
Session Title: Focusing on Fundamentals	Dates and Times of Camp: June 6-9, 8:00-11:15 June 6-9, 12:15-3:30 June 13-16, 8:00-11:15 June 13-16, 12:15-3:30 June 20-23, 8:00-11:15 June 20-23, 12:15-3:30 June 27-30, 8:00-11:15
Maximum number of participants: 12	School location: Westmoreland High School
Session Narrative/Overview: Students involved in these sessions will work on developing social skills, proper hygiene, and improving communication and organizational skills in the classroom. Students will also work on basic math, science, and literacy skills that they may need additional help with. This will be open to upcoming freshmen as well so that these students have the opportunity to get a “head-start” on high school.	

Teacher: Candie Beaver	Email: candie.beaver@sumnerschools.org
Session Title: ACT Prep Workshop	Dates and Times of Camp: June 6-9, 8:00-11:15 June 13-16, 8:00-11:15
Maximum number of participants: 15	School location: Westmoreland High School
Session Narrative/Overview: Students who realize that they will never be motivated enough to practice for the ACT by themselves would benefit greatly from this workshop. Students will engage in two weeks of ACT prep in English, math, reading, science, and testing techniques by using a variety of activities and strategies. This hands-on workshop will prepare students for the last ACT testing date for this school year, which is July 16, 2022.	

Teacher: Rachel Hester	Email: rachel.hester@sumnerschools.org
Session Title: Anatomy in Clay	Dates and Times of Camp: June 6-9, 8:00-11:15 June 6-9, 12:15-3:30 June 13-16, 8:00-11:15 June 13-16, 12:15-3:30
Maximum number of participants: 20	School location: Westmoreland High School
Session Narrative/Overview: Anatomy in Clay has become one of the most effective, informative, and relevant anatomy education classes offered today because of its unique hands-on experience. Students learn in depth about human anatomy through building and sculpting with clay and a skeletal mannequin. This fun and unique experience will be offered this summer to students wanting to gain a greater knowledge of human anatomy which will help prepare them for the health science classes offered in high school and medical career classes in college.	

WHITE HOUSE HIGH SCHOOL CAMPS

Teacher: Doug Lyles	Email: doug.lyles@sumnerschools.org
Session Title Basic Automotive Upkeep	Dates and Times of Camp: June 6-16, 8:00-11:15 June 6-16, 12:15-3:30 June 20-30, 8:00-11:15 June 20-30, 12:15-3:30
Maximum number of participants: 20	School location: White House High School
Session Narrative/Overview: These 2-week camps will focus on the skill sets needed for students to upkeep and perform basic maintenance on their vehicle. Topics covered will include checking fluid levels correctly, tire checks and proper tire inflation, changing tires on roadside, tire repair with plug kits, jump starting vehicles, battery maint., selection of replacement battery, changing oil and filter, the selection of proper oil grade and filter, selecting correct coolant/antifreeze and other fluid selections, and cover what those warning lights mean and what should be done when they come on. Students will also receive plenty of hands-on experiences in the automotive shop to practice with current training vehicles available.	

Teacher: Peter Buchanan	Email: peter.buchanan@sumnerschools.org
Session Title: VEX Robotics	Dates and Times of Camp: June 6-16, 8:00-11:15
Maximum number of participants: 20	School location: White House High School
Session Narrative/Overview: This 2-week camp will focus on the skill sets needed for students to design, build, program and compete with VEX VRC robots. We will focus on the 2022-2023 VEX VRC game to be released on May 7, 2022. Notebook development, decision matrix, and standard VEX VRC mechanisms will be covered.	

Teacher: Peter Buchanan	Email: peter.buchanan@sumnerschools.org
Session Title: CAD and 3D printing	Dates and Times of Camp: June 6-16, 12:15-3:30
Maximum number of participants: 20	School location: White House High School
Session Narrative/Overview: This 2-week camp will focus on the skill sets needed for students to design and produce 3D printed products. Software covered includes Tinkercad, Onshape, Fusion 360, Cura and Flashprint. Printers include Ender 3, FLSUN Q5, Flashforge Adventure 3 and more.	

Teacher: Caleb Gilmore	Email: caleb.gilmore@sumnerschools.org
Session Title: Intro to Python Coding	Dates and Times of Camp: June 6-9, 8:00-11:15
Maximum number of participants: 20	School location: White House High School
Session Narrative/Overview: This session will provide students with the basics of programming, specifically in the Python language. Topics covered will include strings, integers, lists, if-else loops, while loops, data structures, functions, object-oriented programming, and the built-in Turtle module. By the end of the week, students will have the tools necessary to code and run their own version of the classic video game Pong. If time allows, students may have the opportunity to code a basic game or program of their own design.	

Teacher: Kimberley Arnett	Email: kimberley.arnett@sumnerschools.org
Session Title: Intro to Cosmetology	Dates and Times of Camp: June 13-16, 8:00-11:15
Maximum number of participants: 20	School location: White House High School
Session Narrative/Overview: This 1-week camp will cover Cosmetology topics such as braiding, styling, manicures, pedicures, and facials.
